God made us a family.  
 We need one another,  
 We love one another,  
 We forgive one another.  
 We work together,  
 We play together,  
 We worship together.  
 Together, we use God's  
 word.  
 Together, we grow in  
 Christ.

God bless our school.

## **Dear Parents/Caregivers,**

Welcome to the new school year, with all its hidden joys and challenges. 2015 has very quickly come upon us following what has hopefully been a restful and enjoyable summer break.

I would like to take this opportunity to thank the students, staff, parents and community of St. Anthony's and Dimbulah for welcoming my family into the school and town. We are very grateful for the hospitality shown by so many. A little further into the newsletter I have written a small letter introducing myself, sharing some of my journey up until this point.

### **Staff News:**

It gives me great pleasure to welcome Cristina Mahmut back to St. Anthony's. Cristina will be a huge asset to our school and will be teaching with Kerry in the Year 3/4 class each Thursday and Friday. Welcome Cristina!

### **New Students:**

This year we have a number of new students to our school. We welcome Kaitlyn Everingham (Year 6), Georgia Williams (Year 4), Sam Williams (Year 1), Alexandra Serafin (Prep), Madison Ahloy-Coutts (Prep), Brayth Miller (Prep), Robert Hobden (Prep) and Emma Palmeri (Prep). We wish these students all the best in their education at St. Anthony's.

### **Assembly Times/Format:**

This term the staff have decided to trial a new timeslot and format for our weekly assembly. Assemblies in Term 1 will commence at 2:25pm on a Monday and will be hosted by the school captains as well as classes on a rotational basis. The afternoon timeslot will not interrupt the morning literacy block, which is extremely important. By rotating classes to host the assembly, a greater number of students will be able to showcase their talents in front of the crowd as well as giving teacher's the opportunity to present work or items their class has been working on. As stated above, this move is a trial only. We welcome feedback from parents and will take this into consideration when deciding on a time/format for term 2.

### **Badge Presentation**

Due to brand new badges being ordered for the School Captains and Sport Captains, a date has not yet been set for the Badge Presentation. We will look to set a date as soon as the badges arrive.

### **Parent Information Night**

Parent Information Night will be held next Wednesday at 5:30pm. We are changing the format slightly this year to make the night both informative and social. The night will proceed as follows:

5:30pm – P/1/2 Ms Grantley

5:50pm – Year 3/4 Ms Greenwood/Mrs Mahmut

6:10 – Year 5/6 Ms De Iacovo/Mr Wilcox

BBQ available from 6:00pm

Each class teacher/s will have 15 minutes to brief parents on information specific to their class. Teachers will be able to give insight into the curriculum, expectations, dates, routines and ways that parents may be able to be involved. The information that class staff will provide during these sessions is extremely important and I would encourage as many parents as possible to attend.

A free BBQ tea will be available from 6:00pm. All drinks will be BYO.

## **Parking**

We would like to thank parents for your cooperation with parking. Through conversations with parents we have been made aware of a couple of safety issues with parking along Hyde St. and we have begun addressing these with the police and the council. Through the council we are in the process of organising for the pedestrian crossing lines to be repainted, for new speed limit and school zone signs to be erected and for parking spaces to be marked. Until these changes have been made we urge parents to drive slowly along Hyde St. During this time of adjustment we will ensure that a staff member is on duty near the gate at the end of the day. We strongly encourage parents to collect their children from the gate, particularly those of you with students in Years P-2. I would like to thank parents for their feedback in relation to this issue. I am very appreciative of parents coming to me to express their concerns and would like to stress that should anyone have an issue or concern with the school, that they should come and speak with a staff member or myself. By working together and supporting each other we will be able to provide the students with an excellent educational environment where students are able to achieve the very best.

## **Uniform**

A copy of the uniform policy is attached to the newsletter this week. I would like to congratulate and thank those students who are already wearing the correct uniform. As of next week I will expect all students to be wearing the correct school uniform as indicated in the policy attached to the newsletter. Should you have any questions or concerns about the uniform policy please feel free to come and discuss them with me.

## **School Fees**

A copy of the school fees policy is also attached to the newsletter. At St. Anthony's we recognise that all families have regular bills and expenses and often the family budget requires a lot of juggling. We ask that you continue to place a high priority on our shared responsibility to give your children the best possible education. The prompt payment of fees helps us to provide that education. Should you wish to discuss issues related to school fees please feel free to come and see me.

## **Next Newsletter**

February 5<sup>th</sup> and every fortnight after that.

Yours truly,

Brad Williams

Prep/ Yr1/ Yr2 – 11:15 – 12:15

Thank you for your support in completing the necessary paperwork and ensuring students attend all lessons where possible. The swimming program will conclude with a carnival on Thursday 26 March with more details to follow at a later date.

The speeches for the school captains’ positions at the end of last year have certainly set a high standard.

 St Christopher’s – Kuranda – Sunday 6.00pm

Welcome back to all to another exciting and jammed packed school year and a special welcome to all our new families to the Saint Anthony’s community. Term one often sees us quite busy in the liturgical calendar, so keep your eye out in “this space” for upcoming masses and special events. First up we have our opening school mass on Tuesday the 10th of February at 9am and would love to see you there.

As we are a Josephite school, the children this year will again be focussing and discussing in class, as part of the curriculum, their interpretations of quotes by Saint Mary MacKillop and how they would carry out the message in their everyday lives.

I would like to warmly welcome Mr Brad Williams and his beautiful family—wife Jodie and children Georgia, Sam and Ellie to our community. A massive congratulations to Brad for being appointed as our new Principal. Our school community is very much looking forward to working with him and benefiting from his enthusiasm, knowledge and experience.

May God’s Spirit be with you always

Changes to the uniform will be rare and undertaken only after due consultation and in the interest of economy, suitability and durability.

Personal neatness and grooming will be encouraged through our personal development program.

Dear Parents/Caregivers,

I am really excited about the year ahead at St. Anthony's and look forward to getting to know the students, families and community members of Dimbulah.

I am a country boy, born and bred. I grew up on a farm in Loxton, South Australia, where my parents grew cereal crops and ran a lot of sheep. I completed all my schooling in Loxton and attended university in Adelaide and graduated with a Bachelor of Education in Junior Primary/Primary Teaching.

Since graduating I have taught a variety of year levels and subject areas in a number of locations. I have held roles as a PE teacher, Numeracy Coach, ICT Peer Coach and Curriculum Coordinator. Last year I was the Deputy Principal at Murrupurtiyanuwu Catholic Primary School, a remote indigenous community school, in the Northern Territory. I am very confident that my experience holding these positions has prepared me well for the position of Principal at St. Anthony's.

I have moved to Dimbulah with my wife Jodie and our 3 children, Georgia, Sam and Ellie. Georgia and Sam will be attending school at St. Anthony's.

Outside of school I am passionate sports fan and I have played AFL, basketball, tennis, tag rugby and volleyball. I also love fishing, reading and riding.

As a family, we are looking forward to involving ourselves in the community of St. Anthony's and Dimbulah and participating in the many activities and sporting clubs within the town. We are excited about being able to visit the many attractions in the Tablelands and wider regions. We are also very much looking forward to being a part of the Parish and hope to see many of you at Mass on Sunday's.

Starting out as a first-time Principal in a new community can be a little daunting. There will be much for me to learn and much that I will need support in. However, I am very lucky to be supported by a committed and dedicated staff who will work hard to provide your children with the very best education possible.

I encourage each and every one of you to stop by school or my office and say hello when you get the opportunity. I am excited by the prospect of meeting so many new faces and can't wait to begin working with the staff and students at St. Anthony's.

Yours truly,

Brad Williams

Principal
