Term 3 Issue 3

Principals Report

The last week of school has been full of fun events. I hope the children have been able to enjoy this term and look forward to the last term of the year. For the staff we are anticipating a hectic last term when we have a short term, assessment and report cards as well as saying farewell to our Year 6 students.

For this reason, we are conscious of time and will be taking a break from the Daily Mile and Genius Hour until next year. We can only fit so much into our days.

Last Friday we had a wonderful day visiting Tjapukai Aboriginal Cultural Park. Thank you to the P and F for paying the entrance costs for this day. Our parents work hard to fundraise each year and we appreciate that the funds assist us to have a little fun each year.

Our under 8's walked across to Dimbulah State School on Wednesday 18th for a morning of fun activities. The children were so excited and could tell me their favourite activity which was just about all of them.

On Thursday 19th we all joined together to celebrate Book Week. It was a little later than the official date but worked better to have it in the last week and turn it into a day of fun. Thank you to Ms D, Keele and Marilize for the bookmarks, masks and yummy lamingtons.

Have a great holiday and take time with your family.

Your partner in Education,

Kath Porter

APRE

Dear Parents/Carers,

It has been an extremely busy term and all our students have done themselves exceptionally proud in all they have accomplished. Everyday our students come to school eager to learn, put in their every best effort and produce work that they and the whole school community should be extremely proud of.

Sacramental Program

Congratulations to Hazel Hobden, Robert Hobden, Dio Jasmin and Harper Brunjes who for the first time confirmed their Baptismal promises in the Sacrament of Confirmation on Tuesday 10th September and received the body and blood of Christ in the Sacrament of First Eucharist on Sunday 15th September. May their faith journey be filled with love and guidance and may God's spirit be with them always.

During the holidays, spend time relaxing and doing the activities you love to do. Enjoy being with your family and friends and take care of one another. I look forward to seeing you all next term and hearing of the wonderful adventures you got up to during your break.

Have a wonderful weekend and in the words of Mary of the Cross MacKillop...

"All will be right with time and a little patience"

May God's Spirit be with you always

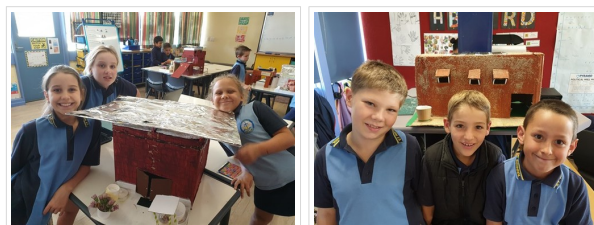

Rachelle De Iacovo

Year 3 and 4 Class

Year 3 and 4 Class

My House Rules

This term the students have been busy building houses. The houses were built with the conditions that they are built in Africa or South America, they must be waterproof, they must be durable, sustainable and depending on location either retain heat or reflect heat. They also needed to write a report to reflect their decisions on making selecting the materials and the process. These were finished in time for parent night on Wednesday the 11th September. The students enjoyed making the houses and they will be judged in a "My House Rules" style competition next week.

Music and Art

In small groups, students created, directed and edited their own film clips. They used a popular song of their choice and re-created their own stories. The brief was they needed to tell a story that had an underlying message or had a moral hidden in the story. The students thoroughly enjoyed making the films and the results show!!
